

Riverside Public Utilities operates in a dynamic, historic community that offers its residents a wide selection of things to do. Whether it's a visit to the renown Mission Inn, or the City's numerous parks and museums, there's plenty to choose from. The city is also an important financial and judicial center in the Inland Empire, with a large and diverse economy that has the largest number of jobs and businesses within the region.

Be a part of supplying the electric and water needs of a rapidly growing community by considering a career with Riverside Public Utilities (RPU). With over 490 employees, we're comprised of four divisions: Water, Energy Delivery, Finance/Customer Relations and Resources.

RPU offers a wide array of career choices from entry level to professional. Depending on your area of interest, there are a number of career paths available to you. For example, start out as an Engineering Aide, and your career path could include advancement up to a Senior Engineer at a higher salary. We have many careers to choose from, and offer challenging and fulfilling opportunities.

Offering You the Power of Opportunity

The Position

This is a key position in the Water Division of the Public Utilities. An Associate Engineer works under general supervision and is expected to complete complex engineering assignments that require knowledge and use of general policies, and accepted engineering practice.

A sampling of duties for the Associate Engineer includes: the preparation of technical engineering analysis and project justification reports; the development of major projects; development and update of engineering guidelines; standard material lists, standards specifications and other technical and administrative policies and procedures as applicable.

Educational Requirements

This position requires a Bachelor's degree in civil, mechanical or environmental engineering or in a closely related area from an accredited college or university.

Necessary Special Requirements

- Possession of an appropriate, valid class "C" California Motor Vehicle Operator's License.
- An Engineer-in-Training Certificate is required.

Experience

Two years experience in professional engineering work comparable to that of an Assistant Engineer in the City of Riverside.

Benefits

Employees of the City of Riverside are eligible to receive a comprehensive benefit package consisting of Medical and Dental prepaid plans. Additional benefits can include:

- Educational Reimbursement Plan
- Training Opportunities
- Sick Leave
- Vacation Time
- Two Deferred Compensation Plans
- A Flexible Spending Plan For Out-Of-Pocket Expenses
- Life Insurance
- Long Term Disability Insurance
- Vision Coverage
- Dependent Care Options
- 11 Paid Holidays
- Public Employees Retirement System 2.7% @ 55-Years-Old

What some of our employees have to say...

"If you want a challenging and a rewarding career in the utility industry with many opportunities for advancement, Riverside Public Utilities offers it all. We're located in the City of Riverside, California one of the fastest growing cities in the nation, an area that's a toasty 69 degrees fahrenheit in the winter!"

Cesar Ancheta, Principal Engineer

"I've been working for RPU for over 15 years and it's been a great opportunity. The job is very satisfying and it's a good place to work. These are great people to work for and great people to work with."

Lee Sheppard, Powerline Technician
